

PORN

- Embarrassed by the stash of Porn under your bed?
- Want to put it to good use?
- Want to help the Environment?

We can help – we want your porn!

Today most people get their porn from the internet but there must be many of you with a pile of old grumble mags still hidden under your bed. We will take these off your hands free of charge and recycle them by sending them on to deserving prisoners*

PRISONERS

- We lock up more people than any other EU country
- Some prisoners deserve jail, some don't.
- Bankers and MPs avoid prison but if you protest you'll face police batons and arrest.

If you ever end up in jail, for a just cause, prisoner support groups will send you letters and worthy reading matter, all well and good but what if you fancy some porn?

That's where *pornforprisoners.co.uk* helps out:

If you know a prisoner who could use some jazz mags, or erotic literature, just contact us and we will send you an application form: go to **www.pornforprisoners.co.uk**
Send your old porn, to P4P, Now or Never!, PO Box 487,
Thorpe Road Mail Centre, Norwich, NR5 8WE.

*Deserving prisoners must not have committed a bad crime, such as murder, unless it can be politically justified
